SAN ANDREAS

is one of the country's most diverse visitor destinations, known for its huge size and incredible variety. Although justly celebrated for its 3 wildly different main cities each with its own style and attractions to offer - Los Santos with its celebrity and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos - it has so much more beyond that; such as mountains, ghost towns, dense forests and hot, dry deserts. Take time to visit the whole state and support local businesses.

AIRPORTS

Need to put some distance between you and your associates? The fastest way out of town is by plane from your nearest airport. There are 3 airports in the San Andreas area, don't expect them to take air miles.

LOS SANTOS AIRPORT

LSX is now the fourth busiest airport in the world. The airport is made up of five gates that are connected by a U-shaped two-level main terminal.

SAN FIERRO AIRPORT

This airport is bordered by the San Fierro Bay and provides a spectacular aerial view of the Gant Bridge as you take off.

LAS VENTURAS AIRPORT

Literally minutes away from the Las Venturas strip, you won't have to wait long to try your hand at the tables.

MONEY

San Andreas is the epitome of consumer society; there's always something new to buy, spending money feels good, you need to spend money to look good and having the latest gear can be pretty important to those around you. Just remember though money isn't everything and some things like respect, can only be earned, not bought. The following credit cards are well reputed throughout the state but generally most people prefer cash.
